PROFESSIONAL COMPETENCIES

Licensed Psychologist

State of Louisiana, December, 1987, License #542

State of West Virginia, April, 1985, License #381, lapsed due to relocation

The following are areas of special expertise and experience.

Clinical Psychological Assessment

Known locally for 15 years as the expert to refer to for ADHD evaluation and treatment

Counseling and Psychotherapy

Follow a combination client centered and cognitive behavioral theoretical and practical approach to psychotherapy. I utilize play therapy with children. EMDR level II training.

Outreach/Education

Development of a comprehensive web site for my practice that furnishes educational information about mental health treatment that is used as an adjunct to therapy. The web site, www.Drkidder.com, also furnishes application materials for new patients.

Production of a relaxation video.

Program Development

Development of a token economy and level system for a residential treatment center; development of a manual of treatment plan modules which consist of problem, behaviors, goal, objectives, and interventions for a wide variety of problem behaviors of children in a residential setting

Crisis Management

Received 27 hours of training in Critical Incident Stress Management and provided these services to a variety of agencies, institutions, and businesses after hurricane Katrina and for other incidents since Katrina
